

Mechanic Yardman	Location: Darwin	PUMA/Direct Haul
-------------------------	-------------------------	-------------------------

Description: Currently 2 roles at Berrimah location. One yardman performing only truck washing duties. The second performs general clean up, driving to pick up supplies, truck drop off for servicing at other locations, forklift operation and organization of the mechanic workshop storage area.

PPE: Long sleeved collared shirt, long pants, gloves, steel capped boots, eye protection

Roster: M-F 9.5 hour/days

Environment / Health: Exposure to chemicals and environmental conditions, heat

Task:	Photo:
<p>Washing Trucks: Drivers may assist yardman cleaning trucks in the wash bay. Yardman uses soap and water pressure trigger gun to spray truck. Yardman scrubs sides with broom with overhead barrel access via ladder with 3 points of contact. (20-30 min/2 person job) per truck segment. Yardman drives truck into/out of bay.</p> <p>Yardman may also pressure spray other components from workshop from ground to bench height.</p>	
<p>Driving: Cab access is via 3 vertical steps > 43 cm with rail maintaining 3 points of contact. Yardman operates from fully adjustable suspension seat from air-conditioned cab. Yardman may deliver truck to another site for maintenance. Maximum drive 30 min. each way. Yardman may also operate manual or automatic vehicle to pick up drivers, and supplies. Ute may be used with drop down side trays. Driving can take up to 50% of day.</p>	

Task:	Photo:
<p>Stocking: Stock is manually transported or placed on a moving trolley to move to location and heavier items stored floor to bench height. Frequent lifts up to 10 kg and occasional lifts up to 25 kg. Single arm carry up to 25 kg.</p>	
<p>Filter compression machine: Yardman manually feeds filters from a bin into machine, operating a lever and removing filter to another bin. Filled bins may be rolled short distances ~10 m.</p> <p>Sorting: Performed at a bench or standing to sort bolts/component pieces into correct containers.</p>	
<p>General Cleaning: Yardman will perform mopping, emptying bins, general workshop housekeeping.</p>
